

The Glass Gallery
Call for Submissions

Deadline: December 11, 2022

The Kelowna Art Gallery is currently accepting proposals from regional, early career artists to create a site-specific installation for the *The Glass Gallery*. Exhibitions will rotate every four months and three installations will be selected for the year, with the first opening on **January 9, 2023**.

The mission of the Kelowna Art Gallery is to engage, inspire, and enrich the greater community through the exhibition, collection, and interpretation of visual art. *The Glass Gallery* is an exhibition space that celebrates local, early career artists and strives to provide a space where they can engage with diverse audiences. It is situated adjacent to the main entrance of the Gallery and can be seen twenty-four hours a day, seven days a week, ensuring exhibiting artists receive a wide range of public exposure.

All proposals should take into consideration that *The Glass Gallery* is an exhibition space intended for multi-dimensional installation works and artists are expected to be capable of on-site installation with minimal assistance. We are committed to fostering artists' professional careers and are proud to pay successful applicants exhibition royalties in accordance with the current CAR/FAC Fee Schedule (Category 2). *The Glass Gallery* is considered a 'Single Work' exhibition site and is well suited to early career artists seeking a professional exhibition opportunity.
